

## **BROOME COUNTY TITLE VI POLICY STATEMENT**

As a recipient of federal and state funds, Broome County is subject to the requirements and provisions of Title VI of the Civil rights Act of 1964, as amended. The provisions include but are not limited to, prohibiting discrimination (being denied the benefits of, or being otherwise subjected to discrimination under any program or activity administered by federal or state assisted programs, services and activities) on the grounds of race, color or national origin. Specifically, Title VI provides that “No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance” (42 U.S.C. § 2000d).

The following Federal Laws and Executive Orders expand the Title VI nondiscrimination mandate:

The Civil Rights Restoration Act of 1987 clarified the definition of “programs and activities” covered by the nondiscrimination provisions of civil rights statutes. The revised definition states that discrimination is prohibited throughout an entire agency or institution, if any part of that agency receives Federal financial assistance.

The Americans with Disabilities Act (ADA) is a civil rights law that prohibits discrimination against individuals with disabilities in all areas of public life, including jobs, school, transportation, and all public and private places that are open to the general public. The purpose of this law is to make sure people with disabilities have the same rights and opportunities as everyone else. The ADA has five titles that relate to different areas of public life.

Executive Order 12898 (Environmental Justice or “EJ”) seeks to avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations, and to ensure the full and fair participation by all potentially affected communities in the transportation decision-making process.

Executive Order 13166 (Limited English Proficiency or “LEP”) ensures individuals whose first language is not English and have a limited capacity to read, write or understand English have meaningful access to programs, information and services by any entity receiving Federal funding.

Broome County assures every effort will be made to ensure nondiscrimination in all of its programs and activities, regardless of whether those programs and activities are federal funded. Broome County's Compliance Officer or his/her designee is responsible for monitoring the Title VI activities for Broome County.
